Shangri - La is a volume detailing myths of a Paradise, Utopia or place inhabited of Monks or person; who are said to work to better humanity. World events in their cause and effects are theorized shadows of their work. Shambala is primarily claimed North of Tibet or Mongolia; while ancient texts translate the name to mountain place or pass. They supposed number seven hidden location, and the text traces and names variety of such story. Western tradition of Shambhalah trace from 1930s book and cinema Lost Horizon. Variety of literature include Thomas More of Henry VIII England; who wrote the work Utopia. It is said to be an island Kingdom Mid Atlantic; who had such wealth to be able to purchase wars, live in the sun and at a peace. My volume retains theory of Shangri - La to be an inner or parallel dimension; so to work of primary themes to interpret Archangel theme into those higher principles. The volume is format of more than 150 color art and photo; while to be set of series of visual art into conceptual language. The ancient...
