

Confirmation : The Hard Evidence of Aliens among Us

By Strieber, Whitley

New York, New York, U.S.A.: St. Martin's Press, 1998. Hardcover. Book Condition: New. Dust Jacket Condition: New. 1st Edition. Book Description This book is at once a journey of scientific discovery and the story of the personal struggle Whitley Strieber has fought since he had an apparent close encounter in 1985, which he recounted in *Communion: A True Story*. He has been criticized for creating folklore; he has been called insane, labeled a liar and a cult leader. Naturally, he wants to correct the record. But more than that, he has come to feel certain that something truly earthshaking is happening, something far stranger, far more incredible than anyone suspected, which has made mankind vulnerable. To change all this, what he's need is physical proof. He has it, and this book is the story of how he got it and what it is. Strieber first reviews all the evidence for UFOs- including the remarkably dramatic and repeated sightings over Mexico city filmed by so many people-as well as the testimony thousands have given about their close encounter experiences, before turning to shocking new physical evidence: five implants surgically removed under controlled and documented conditions from the bodies of people who have...
