

The Challenges to Democracy: Consensus and Extremism in American Politics (Paperback)

Filesize: 1.46 MB

Reviews

It is just one of my personal favorite books. I was able to comprehend every little thing out of this published publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Isaac Olson)

THE CHALLENGES TO DEMOCRACY: CONSENSUS AND EXTREMISM IN AMERICAN POLITICS (PAPERBACK)

University of Texas Press, United States, 2014. Paperback. Book Condition: New. 213 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Threats to American unity are not unique to modern times. In the 1960s, the assassination of President Kennedy, the tension of racial strife, the political extremes of the Radical Right with its John Birchers and the Radical Left with its threat of Communism all raised critically urgent questions relative to our national unity, to our political stability, and to our vaunted respect for the rule of law. The Challenges to Democracy is an assessment of the foundations of political unity in the United States. The American consensus, as Murray Clark Havens defines it, emphasizes a set of values and procedures that most Americans, since the adoption of the Constitution, have accepted in principle: religious tolerance, individual freedom in intellectual and cultural matters, the importance of education and intellectual effort, settlement of internal conflict through peaceful and political processes, the supremacy of law, a high and generally rising standard of living, and, since the Civil War, racial compatibility. Never in our history have the ideals of this consensus been fully achieved, but as long as the majority of our citizens accept the validity of those ideals and the democratic procedures for realizing them, the basic American political unity is not threatened. However, when citizens who cannot accept the elements of the American consensus become influential enough to block the democratic process, then that consensus is threatened. Havens shows how such threats have come to us all through our history-the Civil War, racial and religious bigotry, the Ku Klux Klan, Huey Long, Father Coughlin and other extremists of the desperate thirties, McCarthyism. He discusses contemporary dangers to American unity such as those connected with the acceptance of...
