Brand New Book ***** Print on Demand *****.A Defense of Christ s Bodily Resurrection In a world where truth is considered relative, it has become necessary for Christians to know how to defend their faith. One area of Christianity under the most attack is the bodily resurrection of Christ. This book is not intended to be an exhaustive study. Instead, it is designed to be a practical yet in-depth defense of the resurrection. It is intended for use by the laity, Bible students, clergy, scholars, and all who seek to defend their faith. Although it is not meant to be academic, at times academic arguments needed to be made. This short book was written by a pastor with the average congregation in mind. The line of thought may be traced from the strongest evidence onward. This book uses the latest in research in a practical yet scholarly manner. It is also designed to help the Christian further his knowledge about history, scripture, philosophy, and theology. By reading it, you will get a glimpse into the world of scholarly debate while at the same time receive powerful ammunition for defending the bodily resurrection of Christ. LAWRENCE HELMS earned an A.A. in Religious Studies from Fruitland Baptist Bible Institute and a B.A. from Southeastern Baptist Theological Seminary. He is currently a M.A. candidate at Southern Evangelical Seminary. He has served as a youth minister and associate pastor and is currently pastor of Taylor Memorial Baptist Church in Gastonia, NC. As an itinerate evangelist he has preached the Gospel in many states along the East Coast.
