Reviews

Thorough information! Its this sort of good read. It is actually writter in straightforward words rather than confusing. I am just delighted to let you know that this is basically the best book we have read within my personal existence and can be he greatest pdf for actually.

(Dr. Henri Crona II)

AFTER THE END

Guernica Editions, Canada. Paperback. Book Condition: new. BRAND NEW, After the End, David Sobelman, "After the End" is a sequence of linked narrative poems, revealing a philosophical encounter between various necessary polarities: eye and ear, faith and reason, mythos and logos, essence and existence, as well as the connecting bridge, the corpus callosum, between them. The bridge is the a priori medium of language or the crossing from silence to speech and writing, but it's also a metaphysical bridge between a poet's being and the life of his soul.
