Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Emma Lou Her Book It may be well to state that this diary is given to the public in the identical form in which it came to us, as far as is compatible with modern methods of bookmaking. The tell-tale pasteboard covers, with their ink-stains and their scraps of girlish penmanship - Emma Lou, written with many quirks and flourishes and framed by a crinkly line, and Dorothy and Bert, and the date April, 1891 - these and other individualizing features must be lost in the printed copy, but in no instance has the editor ventured to correct the grammar or mode of expression. Emma Lou s constructions are a little peculiar at times; she is careless in the use of adjective for adverb and adverb for adjective; her diction is not elegant. Change this, however, and something essential to her personality and her years would be gone. Therefore, before criticising her in this respect, call to mind certain blotted folios of your own, laid away at the bottom of old trunks, perhaps, or on the attic shelves, and do not judge her too harshly. She was only sixteen, and this portion of her life was written as she lived it - very crudely, but very honestly. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
