His family calls it the Nectar of the Gods. Doc thinks they might be right. A former serviceman, Doc s been at loose ends since his forced exit from a savage military career. His promising university professorship is terminated when it s discovered he fabricated a portion of his resume. Since then he s been wandering, picking up jobs where he can. While working as a carpenter in Houston, Doc is invited to the Texas Hill Country home of Maggie Marone. There he meets Maggie s family and samples Arturo s pear brandy for the first time. Unfortunately, Arturo, Maggie s husband, disappeared four years ago, amid rumors that his fortune came from dealing drugs. Maggie wants to find her husband, or at least determine whether or not he s still alive. Intrigued, Doc agrees to help track the man down. The only clues available come from Arturo s occasional correspondence, forming a patchwork trail of churches, monasteries, communes, and reservations. As Doc retraces Arturo s steps, he finds a complex web of people who knew, admire, and loved the missing man. Something more than drug dealing accounts for Arturo s disappearance-a mystery tied to the magical power of the Elixir.
