Brand New Book. 2dcloud s flagship anthology starts by exploring the work from leading figures in the burgeoning visual poetry movement within comics. Pure images isn t even the right term for it -- presented without comment or context, one size fits all, a [printed] haze rendering craft more or less moot as a reference point, you re looking at the idea of images more than images themselves. Collins I loved this collection. Spare pieces about identity and interiority. It reads like an auditory experience. -- Sam Alden, author of It Never Happened Again and New Construction Mirror Mirror, 2dcloud s flagship anthology, starts by showcasing the work from leading figures within comics burgeoning visual poetry movement.
