Learn the art of managing and controlling negative stakeholders in your organization to bring about a transformation Outlandish A compelling story of a Non Ivy League Non Conformist Business head in turning around a sleepy; undisciplined and a highly political industrial unit The novel depicts the irrelevance of traditional generalized management wisdom in today s global workplace. The modern employee is knowledgeable as well as smart enough to beat the traditional management strategies and practices. What is needed today is reinventing the traditional wisdom in its new form to make it relevant and effective to the modern smart employees. Ivy League management education today miserably falls on the relevancy parameter. The story unfolds in a commercial vehicle manufacturing plant where a new general manager Kenneth Ray takes heads on with various stakeholders namely the workmen; Workmen Union; Officers...
