STORIES FROM MY SENSEI (HARDBACK)

Taylor Francis Inc, United States, 2009. Hardback. Book Condition: New. 229 x 157 mm. Language: English . Brand New Book ***** Print on Demand *****.In the tradition of Taoist philosophers and Zen masters, Steve Hoefft tells the stories he learned from his Toyota Production System (TPS) master teachers. Sometimes enigmatic, sometimes funny, but always powerful and enlightening, these stories of continuous improvement and Lean implementation are organized around the Toyota House framework. After covering historical and foundational aspects of TPS, the stories go on to illustrate a wealth of essential topics encompassing the timeless, unchanging principles of Just-In-Time, Built in Quality, and Respect for People, and delves into specifics on many tools like kanban, Quick Changeover, and A3 Problem Solving. Winner of a 2011 Shingo Research and Professional Publication Award More than entertainment, the telling of stories is a way that human wisdom is handed from one generation to the next. It is a gentle but memorable way to learn the lessons of failure without suffering the personal pain of misdirected efforts; a way to find the best path without having to personally experience hundreds of dead-end journeys. It is a way to gain understanding that goes deeper than definitions. When Steve writes about the TPS house, it is not just an abstraction. It is something he lives. He can vividly picture it in every operation. Steve's stories bring the house to life. -Jeffrey K. Liker, Shingo Prize-winning author of The Toyota Way TPS is more than just a manufacturing blueprint and a set of business rules. It is a tradition, a learned and shared cultural legacy that imbues each ensuing generation with ethics and a sense of purpose that goes far beyond the punching of a clock and the filling of a ledger. It is far better taught by stories...
