Basically no terms to clarify. It can be written in basic terms instead of difficult to understand. I am easily could get a enjoyment of reading through a composed publication.

THE LATIN DELI: TELLING THE LIVES OF BARRIO WOMEN

WW Norton & Co. Paperback. Book Condition: new. BRAND NEW, The Latin Deli: Telling the Lives of Barrio Women, Judith Ortiz Cofer, A community transplanted from what they now view as an island paradise, these Puerto Rican families yearn for the colors and tastes of their former home. As they carve out lives as Americans, their days are filled with drama, success, and sometimes tragedy. A widow becomes crazy after her son is killed in Vietnam, her remaining word "nada." Another woman carries on after the death of her husband, keeping their store, filled with plantain, Bustello coffee, jamon y queso, open as a refuge for her neighbors. And there are Cofer's stories of growing up with a dictatorial and straying father, a caring mother, and a love for language that will lead to a career as a teacher and writer.
