Findley Family Video Publications, United States, 2013. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Joan Cohen s people have thrived beneath Mars turbulent surface by turning sandblasted caverns into cozy living areas, parkways and farms. The Nehemiah LLC group is both a strongly-knit, deeply faith-driven community and a team of life support experts. Anthony Lewis is a quirky engineer, an outsider with a million questions about schedules, deadlines, and why Joan does what she does. Can they overcome their differences long enough to save their Space Empire from a crippling shortage of resources? The gas-collecting balloon ship Sojourner lies dead in space, its life support inexplicably frozen. One lost repair ship means searching a vast maze of tubing. A single failed component planetside can halt dozens of projects and jeopardize the countdown to a critical launch window. So we can move people in three or four days? asked Anthony. Well, after we finish sandblasting. said Joan. So this is sandblasting? asked Anthony. Well, he can say something besides How long will this take? said Joan. After the sandblasting is finished, however long that takes, then the room is sprayed with foam insulation. The foam stabilizes the temperature and seals the room from air leaks. It also protects the room from minor vibration. At that point the people who build the room come in with plumbing, electrical, temperature control, walls, air quality and pressure. The next day after they are finished the furniture moves in, and then the people. So, it s a minimum of a week. It s more if you leave because there is no one else to operate your sandblaster. Then we train them how to build more rooms and we go on to something else. Like...
