Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.President Obama s budget request for FY2015 includes \$135.352 billion for research and development (RD), a \$1.670 billion (1.2) increase from the FY2014 level of \$133.682 billion. The request represents the President s RD priorities; Congress may opt to agree with part or all of the request, or it may express different priorities through the appropriations process. In particular, Congress will play a central role in determining the growth rate and allocation of the federal RD investment in a period of intense pressure on discretionary spending. Low or negative growth in the overall RD investment may require movement of resources across disciplines, programs, or agencies to address priorities. Funding for RD is concentrated in a few departments and agencies. Under President Obama s FY2015 budget request, seven federal agencies would receive 95.4 of total federal RD funding, with the Department of Defense (DOD, 47.6) and the Department of Health and Human Services (HHS, 23.0) accounting for more than two-thirds of all federal RD funding. In addition to the FY2015 base budget request, the President has...
