Reviews

This composed publication is fantastic. I was able to comprehend everything using this composed e book. It is extremely difficult to leave it before concluding, once you begin to read the book.

I SEE THE SUN IN MEXICO

DOWNLOAD

Satya House Publications Inc. Paperback. Book Condition: new. BRAND NEW, I See the Sun in Mexico, Dedie King, Judith Inglese, I See the Sun in Mexico, the fifth book in the award-winning 'I See the Sun' series, takes place on the Sea of Cortez. Luis's working-class family lives in La Paz. His father is a cook on an excursion boat. His mother makes the best tortillas in the city. With Mama's guidance, Luis shops for the vegetables Papa needs to prepare meals on the boat. Once on the water, Luis hands out masks and snorkels to the tourists who will swim in the beautiful sea. The clear blue water is a magical world filled with hundreds of colorful fish and playful sea lions. Later in the day, the boat is anchored again and everyone goes for a hike. The sandy trail, high above the shore, reveals snakes, lizards, cactus flowers and ancient rock drawings. At night, the black star-filled sky sparkles and the water is filled with thousands of herring swimming around the boat. Lush illustrations and a bilingual story in English and Spanish offer Luis's view of his beautiful country.
