Createspace Independent Publishing Platform, United States, 2013. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A collection of stories and essays that give food for thought and make you laugh. (and sometimes contains naughty words) Madge jokingly yet triumphantly deals with common adult life struggles that fall just short of FEMA intervention but are bigger than a duct tape and coat hanger fix. This stuff wasn t supposed to happen to Madge, she s college educated and comes from a good white collar Irish Catholic family. Hilarity ensues as she made it through an abusive marriage, co-parenting with an alcoholic who later vanished, joblessness, homelessness, food stamps, dating, and raising three kids single handedly. Somehow she maintained her dignity and fabulousness and produced three very smart, well adjusted, successful children. These are life lesson stories filled with humor, common sense and snark. Funny and poignant. This book is very nice dear but I still think you should become a dental hygienist. They make good money you know. People always need their teeth cleaned. - Madelyn Madigan, Madge s Mother Funny and cleavage, a winning combination! - A creepy guy that reads my blog.
