Step into the magical world of the ballet with the help of this fun-filled coloring book. Eight different scenes of young boys and girls on stage, perfectly executing the basic positions of classical ballet, are waiting to be colored with crayons, paints, or other media. The boldly outlined drawings are printed on paper that lets light shine through; so just color the pictures, hang them in a window or near another source of bright light, and watch these dancers glow with a lovely stained glass effect.
