Career counsellors and coaches know the changes aren't recent, but there is a significant number of people still struggling to come to terms with the changes - and the implications of these changes. I personally interviewed 11 experts in the area of careers, business, education and psychology to get their advice for students, recent grads and parents about what it takes to create success in work and life - in today's economy. Nobody spoke about resume writing skills! Learn what these experts had to say - about the things that have changed in the world of work - and the things that haven't! Beth Campbell Duke (The Career Tutor) interviewed 11 experts in the fields of education, business and psychology to pull together effective 21st century career advice for parents and their young adults.
