Employment for Veterans: Trends and Programs

By Christine Scott

Createspace. Paperback. Book Condition: New. This item is printed on demand. Paperback. 24 pages. Dimensions: 11.0in. x 8.5in. x 0.1in. Veterans employment outcomes in the civilian labor market are an issue of ongoing congressional interest. This report offers introductory data on veterans performance in the civilian labor market as well as a discussion of veteran-targeted federal programs that provide employment-related benefits and services. According to federal data, the unemployment rate for veterans who served after September 2001 is higher than the unemployment rate for nonveterans. Conversely, the unemployment rate for veterans from prior service periods (a much larger population than post-911 veterans) is lower than the nonveteran unemployment rate. The varied demographic factors of each of these populations likely contribute to these variations, though their degree of influence is unclear. There are a number of federal programs to assist veterans in developing job skills and securing civilian employment. Broadly speaking, these programs can be divided into (1) general veterans programs, (2) programs that target veterans with service-connected disabilities, and (3) competitive grant programs that offer supplemental services but may be limited in scope. General veterans programs begin with transition programs that are provided to exiting members of the Armed Forces. These...
