THAT S HIM! THAT S HER! THAT S ME! PERSONALITIES AT THE WORKPLACE: READ, LEARN, REFLECT, SMILE, CHUCKLE AND LAUGH (PAPERBACK)

Outskirts Press, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Any adult who has ever been employed anywhere in an office or non-office setting will likely recognize the personalities identified in this book. That is the foundation for the title of the book. That s Him! That s Her! That s Me is a possible reaction a reader would have after reading this book. The reader could find himself or herself in more than one of the identified personalities. Those who are yet to secure employment are likely to identify the characters after sometime once they become gainfully employed. This is a book for every adult written with humor in mind while at the same time providing valuable information backed by scientific studies at times. Any reader who has ever worked anywhere is likely to identify personally with one or more of the personalities in the book. Identifying various personalities at the workplace takes sometime depending on the number of employees at the workplace. Recognizing the unique tendencies and characters at the workplace aids in promoting a better working environment by respecting and recognizing the differences among the various employees or coworkers. Such a recognition is bound to help to curtail hostilities and violence at the workplace and thereby help to improve good relations and productivity. Surely, genuine harmful or potentially harmful observations are to be reported to the management because the managers or the supervisors do not always see what the rest of the employees are seeing. Pre-publication reviews describe this book as Informative and well-researched!.
