Each new day brings new and sometimes more complicated questions. Help From The Hills is a collection of meditations on the nature of human living and the gift of grace for the challenges of the spiritual life. Each meditation presents a particular perspective from which the reader will gain insight into ancient and unyielding concerns, as well as hope for the future. Each chapter ends with a Spiritual Exercise intended as a medium for spiritual reflection and renewal. This book is an excellent resource for adult bible study groups and private devotions. Ronald Ramsey provides a way of thinking about the complexities of life as a path to deeper understanding and spiritual growth. Help From The Hills offers spiritual guidance for those seeking the light of life, and helpful reminders of the love of God as revealed in Holy Scriptures for the redemption of humankind.
