Hay House Inc. Paperback. Book Condition: new. BRAND NEW, Pink for a Girl: What Happens When Getting Pregnant Doesn't, Isla McGuckin, Most of us imagine that getting pregnant is fairly easy. But is it? The reality is that one in six couples will struggle to conceive without medical intervention. So the chances are that even if infertility isn't affecting you directly, it's having an impact on someone close to you - be it a friend, a family member, or a work colleague. For over two years, after making the decision to start trying for a baby, Isla McGuckin was diagnosed with unexplained infertility. Sometimes funny, sometimes sad, always real, this remarkable and uplifting book tells Isla's story. Pink for a Girl follows Isla's journey: * from invasive exploratory tests to an emotionally painful diagnosis * from conventional fertility treatment to alternative remedies and therapies * from initial desperation and hopelessness to final acceptance.
