Saylor Billings, author of Saint Charles Place, The Disaster Relief Club, and The Rot is Deep, returns with the final thrilling installment of The O Line Mysteries. When a shady defense contractor loses their illicit copy of the Aurora, a powerful satellite-cloaking device developed solely for the NSA, the nations clandestine services go on a retrieval mission. And on the sleepy island of Ohlone, the FBI's covert Special Fraud Division uses a different tactic - three unsuspecting women with an ax to grind. Lorna, her partner Sally, and their friend Annie not only take into their own hands the law, but the future of cyber warfare as well. Relying on their sharp instincts and quick wits, they embark on an adventure that stretches across two continents and will forever change their lives. Red, White, and Scotch is an hilarious and illuminating story of the ridiculous ties between defense contractors, the clandestine services, and the swift and sudden expansion of the cyber world that we now live in.
