# The Six-Hour Shift and Industrial Efficiency (Paperback)

Filesize: 2.55 MB

Reviews

The publication is easy in read better to understand. It is writter in basic words and phrases rather than hard to understand. You wont truly feel monotony at anytime of your respective time (that's what catalogues are for about if you question me).

(Kaya Rippin)

THE SIX-HOUR SHIFT AND INDUSTRIAL EFFICIENCY (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.THE six-hour day, or six-hour shift, is an expression that has caused employers many sleepless nights. It is rather startling, perhaps, to come upon those three little words, especially at a time when strikes are called for the purpose merely of reducing a nine- or even a ten-hour day to an eight-hour day. What is the six-hour shift plan? A Utopian dream, a plank in the Socialist platform? An attempt to restrict production? By no means. It is the result of years of experiment by one of the ablest business men of Great Britain. William Lever, one of the outstanding figures in the English manufacturing and political world, is no dreamer of abstract, far-distant ideal communities; his object is to increase the efficiency of English labor for the purpose of competing with American trade. The six-hour shift plan, taken together with the corollary co-partnership plan, is the .basis of William Lever s campaign. In The Six-Hour Shift and Industrial Efficiency he has collected the more important of his public utterances bearing upon his dual plan, and on these he bases his plea for the establishment of a common-sense readjustment of the claims of capital and labor. William Lever is, of course, something more than a business man: he is a psychologist. So long, he declares, as the workman s life is passed in monotonous toil in factory and workshop from daybreak to sunset, no wages, however high, can make up for this separation from all that is highest and best in life; the workman is not content to be exhausted in the task of providing food, shelter, and clothing for himself, wife, and children, with...
